### About Flying Focus

**T**wenty-five years since we began, Flying Focus Video Collective continues using video as a tool for social change, voicing the voiceless.

This catalog update contains shows produced between January and June, 2016 using both Flying Focus and Portland Community Media (PCM) equipment. Views expressed do not necessarily reflect those of PCM, Flying Focus, nor any group or individual appearing on the programs. Full episodes and clips from selected programs are online at our website and on YouTube. We now have roughly 21,500 cumulative views for 45 clips and 14 full-length shows.

This is the second catalog insert for inclusion in our 2015-2018 catalog, which is available at <http://www.flyingfocus.org>. Insert it behind the front cover to create a full copy.

Order DVDs (or VHS Tapes) for the same suggested donation: \$8 for 30 minute shows, \$11 for one hour shows, \$14 for longer shows.

Streaming rights for full-length shows are available for \$75 for individuals/non-profits or \$125 for larger institutions.
