About Flying Focus

Flying Focus Video Collective has been using video as a tool for social change, voicing the voiceless, since 1991.

The shows in this catalog update were produced between January and June, 2018, using both Flying Focus and Open Signal/Portland Community Media equipment. Views expressed do not necessarily reflect those of OS/PCM, Flying Focus, nor any group or individual appearing on the programs. Full episodes, clips, and retrospective shows are available on our website and on YouTube. 48 clips and 50 full-length shows have garnered roughly 44,000 views.

This is the first set of shows for inclusion in our new 2018-2021 catalog, which should be available soon at <http://www.flyingfocus.org>. If you can't download a copy, send us \$3 and we can mail you one when it is ready.

Order DVDs (or VHS Tapes) for the same suggested donation: \$8 for 30 minute shows, \$11 for one hour shows, \$14 for longer shows.

Streaming rights for full-length shows are available for \$75 for individuals/non-profits or \$125 for larger institutions.
