About Flying Focus

Since 1991, volunteers at Flying Focus Video Collective have been using video as a tool for social change, voicing the voiceless.

The shows in this catalog update were produced between January and June, 2020, using both Flying Focus and Open Signal/Portland Community Media equipment. Views expressed do not necessarily reflect those of OS/PCM, Flying Focus, nor any group or individual appearing on the programs. Full episodes, clips, and retrospective shows are available on our website and on YouTube. 51 clips and 63 full-length shows have garnered over 50,000 views. View shows by category, including Police Accountability, Multicultural Issues, and Civil Rights on our site at flyingfocus.org/videoclips.html.
