About Flying Focus

Now in our 25th year, Flying Focus Video Collective has been using video as a tool for social change, voicing the voiceless since 1991.

The shows in this catalog update were produced between July and December, 2015 using both Flying Focus and Portland Community Media (PCM) equipment. Views expressed do not necessarily reflect those of PCM, Flying Focus, nor any group or individual appearing on the programs. Full episodes and clips from selected programs are online at our website and on YouTube. We now have nearly 20,000 cumulative views for 41 clips and 10 full-length shows.

This is the first catalog insert for inclusion in our new 2015-2018 catalog, which is available at <http://www.flyingfocus.org>. Insert it behind the front cover to create a full copy.

Order DVDs (or VHS Tapes) for the same suggested donation: \$8 for 30 minute shows, \$11 for one hour shows, \$14 for longer shows.

Streaming rights for full-length shows are available for \$75 for individuals/non-profits or \$125 for larger institutions.
