About Flying Focus-Feb 2014

Flying Focus Video Collective has been using video as a tool for social change, voicing the voiceless, since 1991.

Programs included in this catalog update were produced between August 2013 and January 2014 in part through the facilities of Portland Community Media (PCM) but mostly using our Mac Pro Tower. Views expressed do not necessarily reflect those of PCM, Flying Focus, nor any group or individual appearing on the programs. Check our website to see clips from some of our programs via YouTube, now up to over 13,500 cumulative views for 36 clips.

This update is the second update to accompany our 2012-2015 catalog, which is available at our website; insert it behind the front cover to create a full copy. If you don't yet have a copy of the full catalog and would like one, send us \$3, or download the pdf from our website.

Order DVDs for the same suggested donation as VHS tapes: \$8 for 30 minute shows, \$11 for one hour shows, \$14 for longer shows.

Streaming rights for full-length shows are available for \$75 for individuals/non-profits or \$125 for larger institutions.
