About Flying Focus

Flying Focus Video Collective has been using video as a tool for social change, voicing the voiceless since 1991.

The shows in this catalog update were produced between July and December, 2014. We used our own equipment as well as some at Portland Community Media (PCM). Views expressed do not necessarily reflect those of PCM, Flying Focus, nor any group or individual appearing on the programs. You can see full episodes or clips from selected programs via our website and posted on YouTube, where 38 clips and 6 full-length shows have garnered nearly 17,000 views.

This is the fifth and final update to our 2012-2015 catalog-- please insert it behind the front cover of your catalog to create a full copy. If you don't yet have a copy, download it from our website or send us \$3 and we can send one in the mail. Expect a new full catalog on line this fall.

Order DVDs for the same suggested donation as VHS tapes: \$8 for 30 minute shows, \$11 for one hour shows, \$14 for longer shows.

Streaming rights for full-length shows are available for \$75 for individuals/non-profits or \$125 for larger institutions.
